Red Deer Hospice Thankful for Holiday Support

(RED DEER, AB) – Red Deer Hospice is thanking the community for their generosity, kindness and support in response to their 2022 Holiday Campaign.

“We are so grateful to everyone who chose to donate to our organization over the holidays,” said Jerri Taylor, Executive Director at Red Deer Hospice. On Christmas morning, residents received a stocking filled with an assortment of gifts. For dinner, Hospice chefs prepared a delicious turkey feast for each resident and a loved one. “We wanted to give our residents and their families one last memorable holiday together,” shared Taylor.

A portion of the funds raised from the Holiday Campaign will go towards updating the largest gathering room at Red Deer Hospice. The North Family Room is a special area in the home that is used for bereavement support groups, family meetings, as well as events such as wedding anniversaries and birthday parties. Hospice hopes to refresh this meaningful space, so many more final memories can be made.

Red Deer Hospice is a free standing, residential end-of-life care facility that provides 24- hour professional nursing care. Residents are not charged a fee to stay at Hospice. A portion of operating costs are covered by Alberta Health Services, but as a not-for-profit society, Red Deer Hospice depends on donations to meet their annual operational budget and for all capital/equipment purchases.

At Red Deer Hospice, we are committed to providing compassionate end-of-life care. Located in the quiet area of Anders on the Lake with the beautiful Memorial Gardens across the street, the Hospice has 16 comfortably appointed individual resident rooms. Professional nursing care is provided 24 hours a day, as well as bereavement support.
